Detected Safety Issues

Safety Issue	Potential Risk
Worker on elevated platform without visible fall protection.	Fall from height due to lack of fall protection.
Loose cable on the ground creating a trip hazard.	Tripping over loose cable leading to injury.
Worker using a mobile phone in an active construction zone.	Distraction from mobile phone use causing accidents.

AI Recommendations

- Ensure all workers on elevated platforms use proper fall protection equipment such as harnesses.
- Secure or remove loose cables from the ground to eliminate trip hazards.
- Prohibit mobile phone use in active construction zones unless for work-related purposes.
